The Tiger hockey team will come together to-morrow night for the first practice since they trimmed "Varsity at Toronto last Thursday night. They will first be given a chalk talk and then the go on the toe for a three-quarters of an hour workout. The players have been having a rest after their three hard games but they will get right down to business again. None of the players are on the sick list and they will likely have the same line-up as faced Dentals, "Varsity and Richemer. The college team plays here next Friday night and they will be a tough outfit to beat.

'Doug'' Chilman, secretary of the Tiger team, wrote a letter morning to the chairman of the O.E.A. asking that pressure be ught to bear so that 'Varsity will be in Hamilton in time to start game with Tigers on the scheduled time of \$1.5.

Two tickets only will be seld to hockey fans who apply for tickets to the Tiger. Varsity game at the local Arena Friday night. This means there will be no "scalping."

Dr. Scarlett, chairman of the 91st Regiment's sports committee has called a meeting for Tuesday evening of the general committee of the Olympic games committee to discuss and find out what progress has been made for the Olympic try-outs.

All members are asked to attend.
